Importance of Assessment

- To find out what the students know (knowledge)
- To find out what the students can do, and how well they can do it (skill; performance)
- To find out how students go about the task of doing their work (process)
- To find out how students feel about their work (motivation, effort)

ASSESSMENT FOR LEARNING

Enter your sub headline here

Assessment

"Comes from the Latin verb 'assidere' meaning 'to sit with'. In assessment, one should sit with the learner. This implies it is something we do with and for students and not to students (over, over, over)." - Carol Ann Tompkins

Assessment for Learning is...

- The interaction & dialogue between teachers and pupils.
- Help students understand what they need to do next in order to improve.
- Thoughtful improvement rather than getting it right the first time
